Meeting Minutes - Sep 17th, 2007

Attendees: Dave Jones, Ty Walk, Paul Joyce, Marge Ross, Scott Siglar, Tim Absher, Shelly Sundstron, and others (I did not get all names).

Sophomore/Booster Report – Ty Walk

- Spoke with Dave Murphy regarding 50/50 this week. He would like to add coupon or other statement to weekly game handout. Not sure if we can get it in. He has a prepared statement that he would like to have read by the announcer.
- Have REX DVD player, will use it for the Centerville game 50/50.
- No one claimed the 50/50 last Friday. Drew 2 numbers. Neither came forward. Therefore \$335 was collected.
- Ty has invoice for cost for posters. Will submit to Eric.

Junior Report – Elizabeth/Paul

- Sr Night budget was submitted to Eric. Overall coming in under budget with Sr gifts, therefore would like to purchase corsages for mothers instead of making them. This was approved. As long as they stay within budget, they can redirect as required.
- Framed picture will be part of the Sr gift. Will have the boys sign the matt at the steak dinner.
- Eager Beaver's did a GREAT job with Feed the Team last week. 2 moms came in and did a great job. Paul will send a thank you message out.
- Jill's Deli will be supplying the Feed the Team this week.
- Remember, season video price goes up after this week. Reps, please send out reminders. Definitely looks like he is adding band footage. 2 people have asked for last years copies. ***Seniors: Remember that each senior will be getting a copy as part of their gift.***

Creek Sports - Marge Ross

- Would be nice to send electronic pictures (from team pictures) that were used for the poster to the individual senior's parents so they may include in the scrap book. Ty will turn them over and the Sr reps will distribute.

Steak Dinner

- Cindy Caudill has had an family issue occur so will not be able to participate as she had been.
- Ty has a good handle on things. Cheryl Eskridge will be covering the inside activities and Ty is covering the outside (grills). Cheryl will be getting the green beans, potatoes and salad. Peggy is getting the utensils. Lisa is getting the steaks. It was decided to get sturdier plastic knives. Paul Joyce will be bringing the Gatorade. Ty is still looking for two more grills.

Freshmen Report – Tim Absher

- Parking went good. About \$50 less than the previous week. \$1,021 total.
