## **Powder Puff Game:**

- Discussion was given to date of Powder Puff game. Concern of the condition of field with the improvements being done. Tim Absher to check with Ed Zink regarding date in May. Will have to schedule around track meets, etc. Game may be played on practice field.

## **Mother/Son Dance**

- Dance went pretty well for first year. All had a good time. 26 tickets were sold. Suggestion next year to sell tickets earlier and more advertisement. Some felt information did not get to mothers. Suggestion to advertise on Beaver Creek access channel and better advertisement for next year's dance.

## **Bengals Fundraiser- Julie Trentine**

- Still in need of sponsors. Have approximately 10-11 sponsors committed so far.
- Julie Trentine to check with Coach Clodfelter to obtain donation letter.
- March 12 is scheduled to set up concession stand.
- Have a price for jerseys for players, we need 20 numbered jerseys. Julie has a cost of \$254.00. Will need 2 to 3 days to order.
- Programs: World Digital Imaging will do programs for 90 cents each.(smaller size program) Tim Absher suggested Julie contact Karyn Ward to see if that price can be beat. Last year's programs cost \$500 for 1,000.
- Still in need of help for security, and general assistance from parents. Support from incoming Freshman parents is poor except for a few whom are handling multiple responsibilities.
- Suggestions were given to Julie to contact for referees.

## **Discount Card- Deb Montanaro**

- Will email detailed information to Tim Absher. Signs has agreed to produce cards for 80 cents each. We need 12-15 businesses for cards.
- Coach Clodfelter would like fundraiser to begin mid June.

## **Conditioning Breakfast - Paul Joyce**

- Suggestion was made to provide one or two breakfasts for boys after conditioning. All agreed this was a good idea. Paul Joyce will check on cost.
