Notes from Coach Clodfelter

- Weight training has started off with a BANKG. We had 88 players the first day and 84 the second day. They will be dividing the boys into 3 groups, and ask them to wear a t-shirt their team color (black, white, orange). To help the coaches.
- **All players need to bring a case of water for weight lifting!**
- We will need to purchase white jerseys. Riddell makes one that will match our current Nike. Riddell charges \$55.00 versus \$85.00 for Nike. Scott will get a sample so we can pick which ones we want.
- To help reduce concussions, we might want to look at purchasing a better mouthpiece. There are new ones on the market, that keep the teeth apart, which will reduce concussions.
- Will purchase new books for the boys, "It's your ship". Club approved cost.

Bengal's Fundraising Basketball Game – Mar 14

- Incoming Freshmen Parents are starting to get things rolling.
- Increase Sponsor price to \$400.00 – need to get 20 sponsors
- Purchase tank t-shirt for sponsors – need bigger shirts
- Coach will help in anyway...just let him know what we need.

Lift-a-thon

- We have not held one in a couple of years. Club agreed it was a good way to make income.
- Boys will get sponsors (mostly teachers and students)
- Scott will handle, and will shoot for sometime in April.

Card Sales

- Not happy with last years program.
- It was suggested we do our own card...and make more profit.
- Deb Montanaro will look into it.
- If we decide it is something we don't want to take on, Scott has information from a different company.
